Invitation

You are cordially invited to the public defense of my Ph.D. dissertation entitled:

Induced Dimension Reduction algorithms for solving non-symmetric sparse matrix problems

on Friday, March 16th, 2018 at 10:00 a.m. in the Aula Congress Center, Mekelweg 5, 2628 CC, Delft, The Netherlands.

Prior to the defense, I will give an introductory presentation about my research starting at 9:30 a.m.

You are also welcome at the reception after the defense.
